

Annex 2 to MC Decision no. 44/05.02.2025

Corrigendum to the Applicant's Guide for the Targeted call for operations of strategic importance (OSI) in the context of Interreg VI-A Romania-Bulgaria Programme

Applicant's guide Call 1 - OSI (amended version according to MC Decision no 18/22.03.2024)	Revised form for applicant's guide Call 1 - OSI	Justification
<p>Page 80</p> <p><i>In case clarifications are requested regarding the missing documents/ annexes mandatory to be submitted together with the application, they will not be accepted if the date of issuance/ the date of signature is later than the deadline for the AF submission.</i></p>	<p><i>In case clarifications are requested regarding the missing documents/ annexes mandatory to be submitted together with the application, they will not be accepted if the date of issuance/ the date of signature is later than the deadline for the AF submission. This restriction does not apply in case of revision of the application.</i></p>	<p>In order to ease the process, applicants will be allowed to fill in all documents requested by the revision process, clarification demands, independently of when those documents were issued or signed. For example, mandatory annexes may be prepared and submitted even after the closing date of the call, if requested by assessors. This will apply only for the future and in case of strategic projects applications, in the process of revision.</p>
<p>Annex A - Evaluation grid - phase 1 - Administrative compliance and eligibility check</p> <p><i>The feasibility study/ Conceptual Design/work projects has been submitted (in English) and is elaborated or updated earlier than one year before the deadline for submission (for investment projects)</i></p>	<p><i>The feasibility study/ conceptual design/work projects have been submitted (in English) and are elaborated or updated <u>not</u> earlier than one year before the deadline for submission (for investment projects)</i></p>	<p>Correction of a clerical error. The Applicant Guide includes the correct wording, which was not correctly reflected in the grid.</p>
